## Start munching... at Munch!

Parties, healthy meals, outdoor fun... this dedicated restaurant brings you everything.

Founded by a group of highly experienced and award-winning chefs and restaurant management consultants – who bring along over 20 years of experience in the food and beverage service – Munch is one of your best choices for an unforgettable gastronomic experience, a heart-warming get-together with your loved ones, or a once-in-a-lifetime occasion!

### The ambience

As you step into the restaurant, you will be embraced by the distinctive aura exuded by the black and white color scheme, embellished by a hint of silver. Minimalist yet fashionable, it enriches your culinary experience with a cultural touch with its exquisite paintings on the ceiling.

### Wholesome and hearty

Located in happening Tsimshatsui, the restaurant specializes in international fusion. The chefs are the owners themselves, and therefore spare no effort in their offerings of quality food and beverages. Their objective is clear: to provide the finest yet balanced and healthy gourmet food to patrons, by using organic, natural and fresh ingredients in the dishes, and most important of all, without the use of MSG, artificial coloring and flavoring.

Organic grains such as millet, buckwheat and wild rice are what you will find on the menu to ensure diners nutritional value along with the taste of the dishes.

Out of the wide range of soups, starters, main courses, snacks and bites – à la carte or set – the restaurant's homemade desserts and cheesecakes are the must-tries, the latter being especially popular among ladies.

### Professional catering

Everyone has their life's milestones to celebrate every now and then. For this reason, Munch provides the fittest setting for your

private parties and gatherings, with tailor-made menu and special arrangements such as performer hiring, to avoid disappointment. It may be a cocktail catering for 90 persons or a birthday celebration inviting only your family. Your party does not have to take place in the restaurant; it can be an outdoor barbecue, on a yacht or the tram, even at your house if you want to enjoy a lazy yet exciting Sunday – as you wish.

For corporations looking for a venue for functions, Munch is equipped with high-end audio system, wireless microphone and projector. If you have your own venue in mind, the restaurant's outside catering offers professional food arrangement from wine and

canapés styled in an eye-catching manner to lunch buffet that leaves you satisfied.

Veterans in corporate catering, Munch has provided services for a host of renowned companies including Moët Hennessey, Loewe, Aston Martin and various professional bodies.

If you are scratching your head as to where to hold your once-in-a-lifetime occasion, Munch is also a perfect place for your wedding ceremony and reception, with tailor-made menu and homemade wedding cake.
